Liquid Foundations

HYDRA FOUNDATION

30 ml | 29,00 €

Our *Hydra Foundation* is an easy-to-apply and easy-to-blend fluid foundation that camouflages imperfections with a classy, natural finish.

LM09
Caramel

Its special formula is enriched with Jojoba Oil, known for its moisturising action, Avocado Oil, appreciated for its regenerative and antioxidant properties, and Almond Oil, renowned for its soothing qualities. It also contains microspheres of Hyaluronic Acid and Propanediol, a true beauty concentrate for your skin.

It can be applied with a brush or beauty blender; **its smooth texture ensures comfort and excellent blendability**, for an absolutely flawless complexion.

Tips

3 ways to apply foundation

When applying foundation, you can use different techniques depending on the desired effect.

For buildable coverage and a natural finish, choose a brush. This tool allows for an even and precise application.

For higher coverage, go for a sponge and remember to dampen it slightly to prevent excessive product absorption.

For light coverage and a natural finish, warm the product between your fingers and use your hands!

INSTANT MATTE FOUNDATION

30 ml | 33,00 €

Our *Instant Matte Foundation* is a high-coverage and long-lasting liquid foundation. Comfortable and easy to apply, it dries quickly and ensures a velvety matt finish.

Its **paraben-free, vegan and cruelty-free formula** is enriched with a blend of active ingredients with **moisturising, calming, anti-ageing and antioxidant** properties: Black Rose Extract protects against free radicals and helps regulate the skin's barrier function; Ginseng Extract exerts a powerful revitalising and energising action; Iris Extract combats visible signs of ageing while stimulating cell renewal; and Coffee Seed Oil enhances skin elasticity, preserving its lipid balance and moisture.

PERFECT HYDRA FOUNDATION

30 ml | 39,00 €

Our *Perfect Hydra Foundation* is a liquid foundation with a light texture and velvety finish, designed to perfect the complexion by evening out the skin tone and optically correcting any skin discromia.

Featuring a **paraben-free, vegan and cruelty-free formula**, this comfortable and easy-to-apply foundation is enriched with a blend of active ingredients with **moisturising, protective and anti-ageing** properties: Green Tea helps fight free radicals, counteracting the effects of stress and premature cellular ageing; a special active ingredient restores optimal levels of Hyaluronic Acid, stimulating its synthesis and promoting moisture both in depth and on the surface of the skin; and Poppy Seed Oil, a natural emollient, performs a softening and nourishing action.

Tips

A close-up photograph of a person's eye. The eye is light-colored with a dark pupil. Dark, thick eyelashes are visible. A light-colored concealer is being applied under the eye with a brush. The skin is fair and smooth.

“Lift” effect for your gaze!

For a radiant look, choose a concealer one or two shades lighter than your skin tone. After applying the concealer under the eyes, blend a small amount towards the outer corner of the eye, pointing towards the temple. This technique will optically lift and elongate the eyes.

Tips

A close-up, high-resolution photograph of a woman's face, focusing on her eye, nose, and lips. The skin is fair and has a subtle, dewy glow, particularly on the bridge of her nose and the high points of her cheeks. Her eye is light-colored with long, dark, well-defined eyelashes. Her lips are painted with a vibrant, glossy pink lipstick. The lighting is soft and directional, creating gentle highlights and shadows that emphasize the facial features.

Strobing effect

A technique designed to brighten the complexion by applying highlighter to specific areas of the face, such as cheekbones, nose bridge, chin and cupid's bow. Also perfect on the eyelids or over blush for an extra touch of radiance.

Eyeshadows

A close-up, low-angle portrait of a woman's face. She has a warm, golden-yellow eyeshadow applied to her eyelids, which is shimmering. Her eyes are brown and looking upwards. She has long, dark, winged eyelashes. Her lips are painted with a glossy, pink lipstick. Her skin is fair with some freckles. A hand is visible in the top left corner, possibly applying makeup. In the bottom right corner, there is a small, colorful, abstract object that looks like a piece of jewelry or a small sculpture.

MKMS05

Innovative fiber technology: its new special brush captures the mascara, **distributing it smoothly to coat every lash, even the shortest and hardest to reach.** The flawless combination of its innovative formula and brush ensures volume and definition.

False Lashes

MAGNETIC LASHES

10,00 €

Our **Magnetic Lashes** are made of two synthetic false lash lines, made of ultra-light fibre, placed on a very thin metal wire. Unlike traditional false eyelashes, requiring the use of glue, this magnetic eyelashes exploit the attraction between magnets and therefore do not stick to your natural eyelashes.

ELS04

Light wide twisted

The key feature is the presence of 2 magnets, placed at the ends of a thin metal wire. The result is a much more intense gaze. The number of uses depends on how carefully they are removed (they last about 8-10 applications).

Tips

A close-up photograph of a woman's eye, looking slightly to the right. She has dark, well-defined eyebrows and is wearing a pair of dark, voluminous strip eyelashes. The skin around the eye is fair and has a subtle glow. A thin vertical line is positioned to the left of the eye, separating the 'Tips' header from the main content area.

Strip lashes

Application in just 3 steps!

For a long-lasting and natural effect, carefully clean your natural lashes and follow these simple steps:

- Cut the lash band according to your eye shape and desired length.
- Apply a small amount of lash adhesive to the strip and wait about 30 seconds for it to set.
- Place the strip at the base of your lash line and gently press to blend the false lashes with your natural ones.
