# COOPERATIVA PROFUMIERI

**Emotion through fragrance:** this is the aim of **Cooperativa Profumieri**, an Italian brand specialized in the production of original and distinctive room fragrances.

Our production is the result of research aimed at personalising every space in the home or small work environment, creating pleasant sensory atmospheres capable of bringing unforgettable olfactory journeys to life.

**A wide and skilful selection of fragrances**, suitable for every context, preference and need, exploits the persuasive magic of olfactory memory, embraces, pervades the senses and infuses serenity. The room fragrance diffusers by Cooperativa Profumieri, with **natural wooden sticks**, blend stylishly and discreetly into any environment, providing a delicate and long-lasting fragrance.

Enclosed in **elegant, Italian-designed glass bottles** in different sizes, the fragrances are diffused through sticks which, once immersed in the perfume, absorb it by capillarity and carry it upwards, releasing the scent evenly and continuously.

Spread quality fragrances. Choose Italian design.

# Flower Garden

Floral fragrances alternate with hints of Musk and Sweet Fruits. A fragrance that leads to a secret garden dotted with lush Rose bushes and fragrant Jasmine flowers. Red Fruits scatter their sweet aroma in the air, while a fresh Lemon scent intoxicates and recalls the lush landscapes of Sicily. Lively notes of Pink Pepper ignite and tantalize the senses, exotic Patchouli seduces the sense of smell and transports one into a whirlwind of intense sensations.
